tion that I put and I request you may be pleased to give me an answer.

Mr. K. Narasimha Pai.—I have already answered that the question of 50 feet is not going to make any difference.

Mr. P. Kumaran Ezhuthassan.—So there is no trouble at all with regard to these latrines being in the close proximity of that hostel, as they are now used. I request the Hon'ble President be pleased to ask the Member to give me an answer.

Mr. K. Narasimha Pai.—I have nothing more to add to what I have said.

Mr. K. Ayyappan.—Who constructed this latrine and when was it constructed ?

Mr. K. Narasimha Pai.—I want notice.

Dr. A. R. Menon.—Is there any space farther than this 50 feet ? Is there ample space there ?

Mr. K. Narasimha Pai.—No.

Mr. P. Kumaran Ezhuthassan.—Are there not places which can be acquired ?

Mr. V. K. Aravindaksha Menon.—That is an unnecessary question. There is no backwater there. There are lands which can be acquired.

Mr. P. Kumaran Ezhuthassan.—In the answer it is said that they are more or less permanent. What do you mean by that ?

Mr. K. Narasimha Pai.—They are semi-permanent.

Text-Books.

461. **Mr. E. Ikkanda Warriar.**—Will the Government be pleased to give a list of books—

(1) approved;

(2) prescribed as Text Books in this and last year of authors or publishers as the case may be, who were members of the Text-Book Committee and the Board of Studies then?

Mr. K. Narasimha Pai.—(1) and (2) Two statements containing the information are appended. (*Appendix XII* (1) and (2)).

Mr. E. Ikkanda Warriar.—Are there no other books prescribed or only these books were distributed ?

Mr. K. Narasimha Pai.—I have not understood that question clearly.

Mr. E. Ikkanda Warriar.—Were there no books other than those given in column 1 prescribed this year or were all the books prescribed this year distributed among the members of the Board of Studies and Text Book Committee each one getting about 10 books.

Mr. K. Narasimha Pai.—There is nothing of that sort. That question was not at all asked. Answer is given to the question here.
